By submitting an application and check for the entry fee, you agree that the teams entered meet the criteria. (No refunds will be issued for travel teams that are disqualified at the Tournament.)

Each team is guaranteed three games (minimum). If your team is successful in reaching the semi-final and final games, they would play a maximum of five games. The Mid-Summer Classic Tournament is a pool play tournament with a single elimination semi-final round for the top two teams in each division at each level.

All games will be played at the CDBL Plato Center, Burlington and Plato Park field complexes.

Tournament entries are determined on a first come-first served basis and limited to a maximum of eight teams per level of play.
